

## Cancellation and No Show Policy

Dear Patient,

In consideration for others, if you cannot keep a scheduled appointment please call **within 4 hours**. As courtesy, each patient will be allowed one missed appointment. Any patient **frequently missing** appointments, regardless of circumstance, will be charged a fee. We will charge you **\$25.00** for missed appointments during the time slot we have scheduled for you. When patients do not show up or cancel, this is time we may have used for another patient. You, the patient, will be held responsible regardless of your insurance carrier or personal situation.

Consideration is given to those who are ill, rely on others for transportation, or have an emergency.

Thank you,

Body Owners Physical Therapy
